

CHRA out of hibernation Members Catch Up!

Canberra Miniature Railway Sunday 29th November

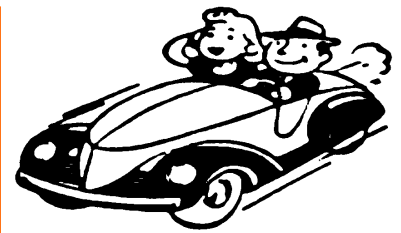

Okay – it's time to get the cars out again and get on with some friendly CHRA Cruzin'. We have a number of new members and new cars on the road, so we'd love to see everyone out there. Your new CHRA Social Committee - Mark, Zac and Anne have been working on a number of activities to get us motivated and movin' over the next few months.

Bring the kids and grandkids along and enjoy a ride on the miniature railway.

Train Rides: \$3 Per ride/\$15.00 all day, unlimited rides.

EFTPOS facilities are available.

The Model Train opens at 10.30 AM (to other members of the public as well).

They would like all cars in by 10.00 AM please, to the mowed grass area, which fits about 20 – 25 cars. Close time is at 2.30 pm, and they would like cars to leave just after that please!

How do you get there?

The Canberra Miniature Railway is located at the far southern end of Jerrabomberra Avenue in Symonston, adjacent to the Monaro Highway. Access is from Jerrabomberra Avenue, past the Greyhound Club and the Dog Training Club. Go through the double iron gates and the entrance can be found on the left hand side about 3/4 kilometre past the gates.

We have a number of new members and new cars on the road, so we'd love to see everyone out there. Bring your rod or grocery getter, just be there!

Let's meet at 0945 at the Greyhound Club carpark to cruise on together!

Canberra Miniature Railway
